Grammar as an Emergent Process

D- Environmental jokes.

Are they really funny?

- Can you put 'the joke' in plain words?
- Which is the environmental issue?

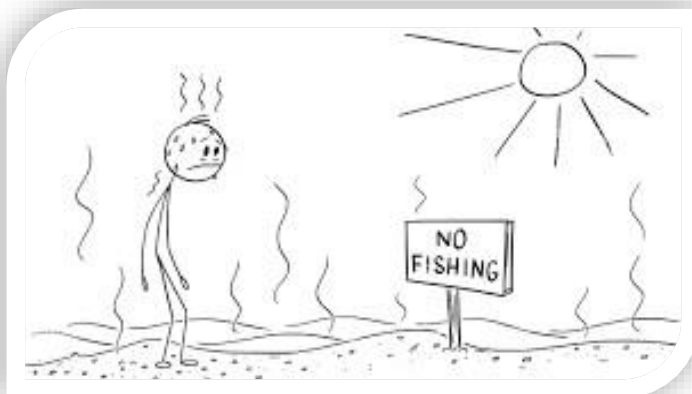

Example:

People create green jobs but they cut down trees.

The environmental issue is deforestation.

What do you think the following image illustrates?

- Can you put 'the joke' in plain words?
- Which is the environmental issue?

E- Search for 2 environmental jokes and explain them.
